Description: COVID-19VT DFR Telework for Employees

DFR Telework for Employees

March 16, 2020

As of Friday, the vast majority of our department staff was directed to work remotely from home. A small contingent of employees will be in the office to ensure specific essential functions continue to occur, such as coordinating our COVID-19 response, receiving the mail, and processing checks. We expect this schedule to remain in effect until further notice, based on guidance from the Governor.
